PROFESSIONAL SUMMARY

Results-driven Mid-Level Graphic Designer with 6+ years of experience spanning agency, freelance, and in-house environments. Proven ability to own the full design lifecycle from concept and brand strategy through production and delivery. Specializes in brand identity systems, marketing collateral, social media design, and UI/UX design. Consistently delivers visually compelling work that strengthens brand recognition, drives engagement, and supports business growth. Skilled at managing multiple projects simultaneously and collaborating closely with clients and cross-functional teams.

KEY HIGHLIGHTS

- 6+ years of uninterrupted design practice across agency, in-house, part-time, and freelance contexts
- Hands-on experience across the full design spectrum: brand identity, UI/UX, print, digital, and social media design
- Delivered 120+ completed social media designs for 15+ clients within a single part-time engagement
- Portfolio demonstrating real client work: behance.net/hossam_elshami
- Proven ability to manage client relationships and deliver independently under pressure and tight deadlines

PROFESSIONAL EXPERIENCE

ALFA PLUS — Graphic Designer, Social Media Design (Part-Time, 4 hrs/day) March 2026 – June 2026

Specialized in social media post design, producing high-volume, high-quality creative assets for a diverse client portfolio.

- Designed social media post content for **15+ clients** across varied industries within a part-time schedule
- Produced **120+ complete, high-quality social media designs**, maintaining brand consistency and visual quality across all deliverables
- Managed multiple client requests concurrently while meeting fast turnaround deadlines typical of social media content cycles
- Applied strong typography, layout, and color theory principles to maximize engagement across platforms

Salasl Agency — Graphic Designer, Art Sales Division January 2024 – March 2026

Led visual design strategy for monthly service packages sold to 10+ partner companies, directly supporting the sales pipeline.

- Owned end-to-end visual design of monthly service packages, improving package presentation clarity and contributing to a consistent brand voice across all client materials
- Produced co-branded marketing collateral for **10+ partner companies** under contract, maintaining brand compliance while meeting tight turnaround deadlines
- Designed contract layout templates that **reduced internal formatting time by approximately 30%**, later adopted as the agency standard
- Created high-impact promotional and partnership banners for campaigns, consistently delivering

assets on time across multiple concurrent projects

Mega Vision Agency — Graphic Designer

2021 – 2023

Full-service design agency role covering brand identity, digital, and print deliverables.

- Developed the agency's complete visual identity system, including logo, brand guidelines, stationery, flyers, notepads, and branded banners, establishing a cohesive look that strengthened client trust
- Designed and maintained social media visual templates for **5+ clients**, ensuring brand consistency across all platforms and reducing asset creation time for recurring content
- Delivered website UI design and digital asset production using Adobe Photoshop, Illustrator, XD, and hand-drawn concepting, from wireframe to final handoff
- Collaborated directly with account managers and clients to translate briefs into polished design solutions within agreed timelines

Freelance — Graphic Designer

2018 – Present

- Delivered branding, print, and digital design projects for small businesses and startups across various industries, building a diverse portfolio of independent client work
- Managed full client relationships independently, including briefing, concepting, revisions, and final delivery, demonstrating strong communication and project management skills
