

Khaled Osama Fathey Nour

Junior IT Network Engineer / IT Support Specialist

Cairo, Egypt | +201205374920 | nourk3756@gmail.com | linkedin.com/in/khaled-osama-nour

Summary

CCNA- and MCSA-certified IT support and network professional with 2+ years of hands-on experience in end-user support, network administration, and systems troubleshooting across enterprise hospitality environments. Skilled in Cisco routing & switching, Windows Server, Active Directory, VoIP, cloud PMS/POS platforms, and cybersecurity practices. Adept at resolving hardware, software, and connectivity incidents quickly with working knowledge of AWS/Azure concepts, Python scripting, and network monitoring tools. Seeking a junior IT support or network engineer role to contribute technical skills within a team-oriented environment.

Education

Mansoura University

Mansoura, Egypt

Bachelor of Information Technology, Faculty of Computer & Information Science

2019 – 2023

- **Graduation Project (Excellent):** HoneyPots – cybersecurity honeypot system to detect and analyze threats; awarded **Certificate of Excellence** at ISEIC 2023 conference.

Experience

Charmillion Club Aqua Park

Sharm El Sheikh, Egypt

IT Supervisor

Jun 2026 – Present

- Supervised IT operations and coordinated technical tasks across the property to ensure smooth hotel operations.
- Managed and supported Omada Controller environments, including TP-Link switches and access points, alongside Aruba network infrastructure (switches and access points).
- Managed and troubleshooted Windows Server, Active Directory Domain, DNS, and DHCP.
- Handled Guest Wi-Fi infrastructure, including connectivity, authentication, and troubleshooting.
- Performed daily IT operations, network monitoring, troubleshooting, and infrastructure support.
- Troubleshooted and supported network, Wi-Fi, servers, printers, CCTV/NVR, and end-user IT issues.
- Maintained IT assets, network documentation, and equipment inventory.

Cleopatra Sidi Heneish Hotel

Egypt

IT Supervisor

Jan 2026 – Jun 2026

- Delivered end-user technical support and help desk coverage across all departments, maintaining 99%+ system uptime for 100+ devices and 50+ staff accounts.
- Administered LAN/WAN infrastructure (HP switches, access points, structured cabling) and managed Windows Server 2019, Active Directory, and Group Policy.
- Supported Opera Cloud PMS and Symphony Cloud POS platforms, plus financial systems (Sun System, Material Control) – coordinating with vendors for upgrades and incident resolution.
- Managed POS systems, Outlook email clients, printers, and IT assets across Front Office, Restaurants, Finance, and Back Office; implemented system backups and cybersecurity procedures.

Stella Makadi Hotels & Resorts

Egypt

IT Support Specialist – Networks & Systems

Jul 2025 – Jan 2026

- Diagnosed and resolved incidents across a Cisco VoIP network of ~2,500 IP phones and IPTV systems, ensuring uninterrupted communications across the resort.
- Administered MikroTik hotspot with UserManager; managed 50+ TP-Link access points via Omada Controller and maintained Active Directory domain environment.
- Installed and troubleshooted ZKTeco fingerprint attendance systems, BT-lock door access systems, and Outlook email clients with PST backup procedures.
- Supported Xerox & HP printers and coordinated with vendors to reduce mean time to resolution (MTTR) across all IT incidents.

Egyptian Armed Forces

Egypt

IT Technician (Military Service)

Jul 2023 – Sep 2023

- Delivered desktop support for hardware, software, and network issues; deployed and configured Windows 7/8/10 workstations and maintained PCs, printers, and scanners.

Stella Makadi Hotels & Resorts

Egypt

IT Trainee

Jul 2021 – Nov 2021

- Assisted senior IT staff with IPTV troubleshooting and network fault diagnosis across the resort property.

Certifications & Training

Cisco Certified Network Associate (CCNA) – 140 hours, NTI National Telecommunication Institute (Aug – Oct 2022)

MCSA – Microsoft Certified Solutions Associate (Windows Server)

ICDL – International Computer Driving Licence
